

JOSH WITH A FRIEND, KENYA BY DARCI NILES

THE LAW OF HARMONY & CHRISTIAN SCIENCE HEALING

EXPERIENCE THEM IN YOUR LIFE

TALK BY JOSH NILES | SAT. FEBRUARY 17, 2018
CHRISTIAN SCIENCE PRACTITIONER & TEACHER

“How am I going to make it through this?” That’s what Josh Niles asked himself after the first days of intensive training in Army Ranger School. He prayed and felt a calm reassurance that the love of God was present, right there and then, supporting him and all of the students, giving him the strength to continue and successfully complete the course. “What I felt in Ranger School wasn’t something special just for me, but something I’ve come to see as a divine law that governs all of us. It was God’s law of harmony in action,” says Niles. His talk includes ideas from the Bible, especially Christ Jesus’ teachings. He’ll also introduce concepts from a book that explains the practicality of God’s love to today’s pressing issues.
